effective job search strategies.

- Tailored Training Programs: We offer a variety of training programs that equip women with the skills they need to succeed in today's job market, including digital literacy, communication, and leadership development.

- Online Toolkit for Trainers: Our online toolkit provides trainers with the resources and tools they need to deliver effective training programs that meet the specific needs of women re-entering the workforce.

- National Testing and Training: We collaborate with partners across Europe to test our training programs in various national contexts and ensure that they are culturally relevant and effective.

By providing these comprehensive services, WOW-ME aims to help women overcome the barriers they may face in re-entering the workforce and achieve their career aspirations.

Join us in empowering women and creating a more inclusive job market.
